Sunshine Phonics Decodable Books

New Zealand series with **real stories** using words that children **can** read!

This programme teaches children phonics skills in a sequential and systematic way so that they learn sounds (phonemes) and the letters that represent them (graphemes), and then apply this knowledge through reading a text that makes sense. This ensures that every beginning reader experiences success in reading from their very first book!

The programme features:

- Fully decodable texts closely aligned to Letters and Sounds.
- 140 enjoyable texts available now (including non-fiction) with another 40 coming soon!
- Systematic progression for learning sounds (phonemes) and the letters that represent them (graphemes).
- Full-colour illustrations to support meaning.
- Comprehensive Teachers' Books that include lesson plans, activity sheets and assessments.
- The first 120 books feature characters from the same family along with their pets and friends.

Message from the Publisher

Sunshine Books are proud to publish these **180 decodable books** supported by comprehensive teachers' notes and activities. The focus for the programme is helping all children in New Zealand and the Pacific Region to learn to read using decodable texts, while having fun exploring the many relatable adventures of one extended family and, later in the programme, other fiction and non-fiction titles.

We look forward to working with schools throughout New Zealand and continuing to make a difference to reading outcomes through our Sunshine Decodables Series. Let's celebrate the success of thousands of children who are now enjoying reading.

Dame Wendy Pye

Sunshine Phonics Decodable Books

New Zealand series with **real stories** using words that children **can** read!

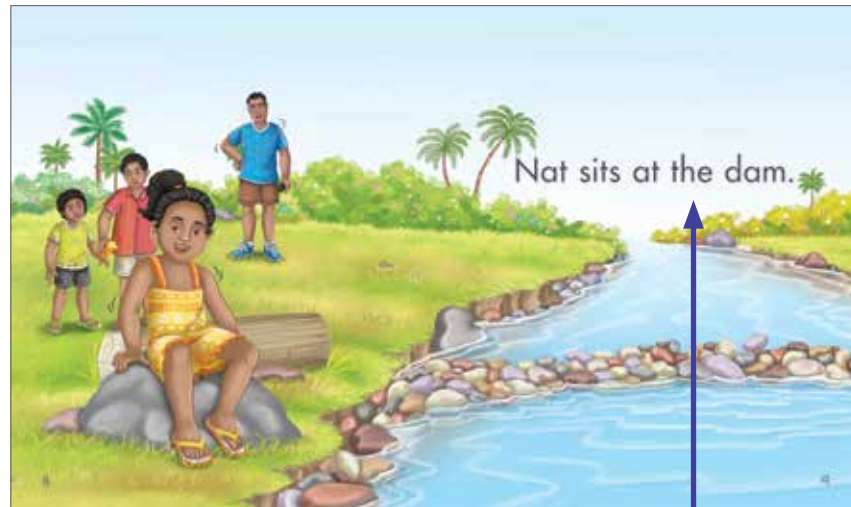

Real Stories

While the Sunshine Phonics books are decodable texts, they are also **real stories**! The stories in the early sets follow the adventures of Nat, Dan and Sam. All young children can relate to the fun storylines and enjoy the humorous endings. Later sets introduce other stories and non-fiction titles.

Words Children Can Read

The Sunshine Phonics Decodable Books allow students to practise their developing phonic knowledge by reading books that only include the sounds that they have learnt. Some tricky words (high-frequency words that are not easily decodable) are also learnt as these words are necessary for any story. The result is reading success for all children!

Clear, colourful illustrations to support the text and storyline

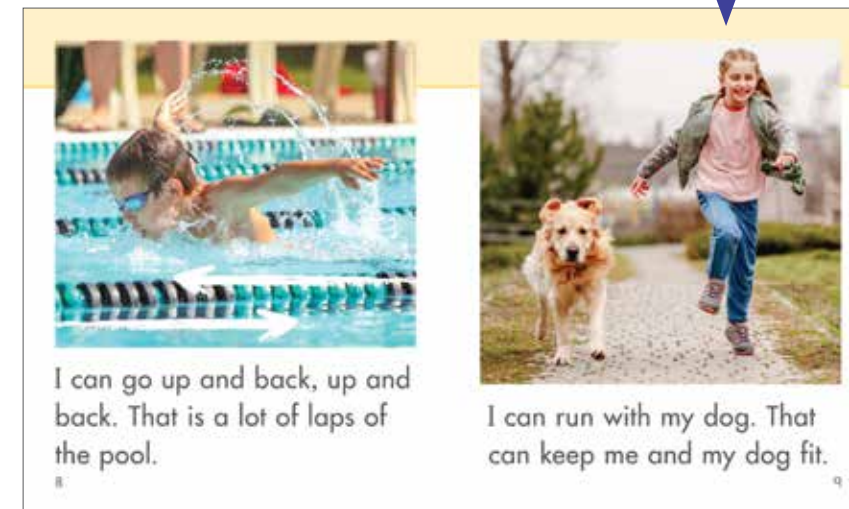

Real stories featuring the same key characters – Dan, Nat and Sam and their family, pets and friends

Some "tricky words" are introduced. These are high-frequency words that are not easy to decode at this stage.

Decodable text featuring mostly VC and CVC words in Sets 1–3

Large, well-spaced text

Non-fiction titles help children learn about their place in the real world.

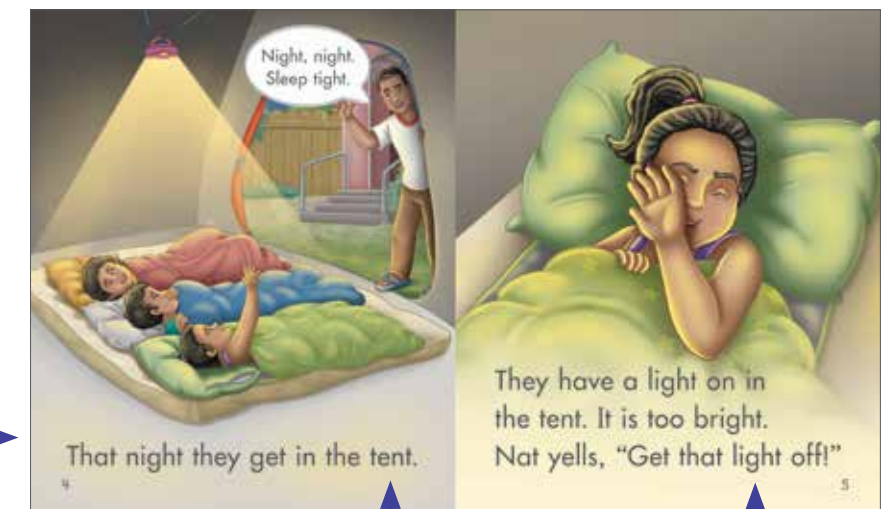

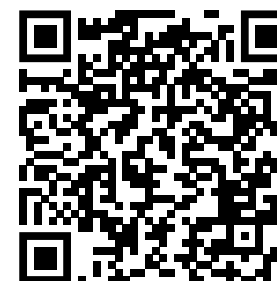

In Set 3, two-syllable decodable words are introduced.

Consonant digraphs are introduced in Set 4.

See inside the books here

Adjacent consonants are introduced from Series 1 Set 4.

Each book in Sets 4 and 5 has a focus digraph or trigraph. In this book it is the trigraph /igh/.

Teaching Support

Inside Front Cover

The inside front cover of each book provides the **Before Reading** focus for the children. Here they will review the sounds they have learnt and practise blending those sounds to make the words that they will meet in the story. Tricky Words are also reviewed.

Get fit, Dan!

SET 2: Story 15

Before Reading

Say the sounds: g o b h e r f u l

Ensure children use the pure sounds for the consonants without the added "u" sound.

Practise blending the sounds: top fit hot runs log hut set sips hops Hop Run Dan

High-Frequency Words: get Get but up it and on did
Tricky Words: the is go Go to

Vocabulary Check: fit – What does it mean to “be fit” or “to get fit”? What does “Get set, go” mean? When is this used? Sometimes it’s, “Ready, get set, go”. top – What different meanings does this word have? Discuss the meaning of “top” in different contexts, e.g. I am wearing a red top. She took the top off the bottle.

Story Discussion: Look at the cover. Who is this story about? What does the title tell us about this story? What kind of things could Dan do to get fit?

Teaching Points: Discuss the use of speech and thought bubbles in this story to show the talking (speech) or thoughts of a character. Ask children to find examples in the book. Introduce the purpose of an exclamation mark to show emphasis. Review s on the end of a verb, e.g. hop/hops.

After Reading

Comprehension:

- What are some of the things Dan did to get fit?
- How was Sam helping Dan?
- What was Sam holding in his hand? What does a stopwatch do?
- Can you think of other things you can do to help keep yourself fit?

Fluency: Speed read the words again from the inside front cover.

At the end of each book, teachers will find a summary of teaching points for **Before Reading** and **After Reading**. This includes:

- focus phonemes/graphemes
- words to blend
- vocabulary
- pre-reading discussion
- comprehension
- fluency

In addition to the summary of teaching points provided in each book, we also offer five comprehensive Teachers’ Books. Each Teachers’ Book includes:

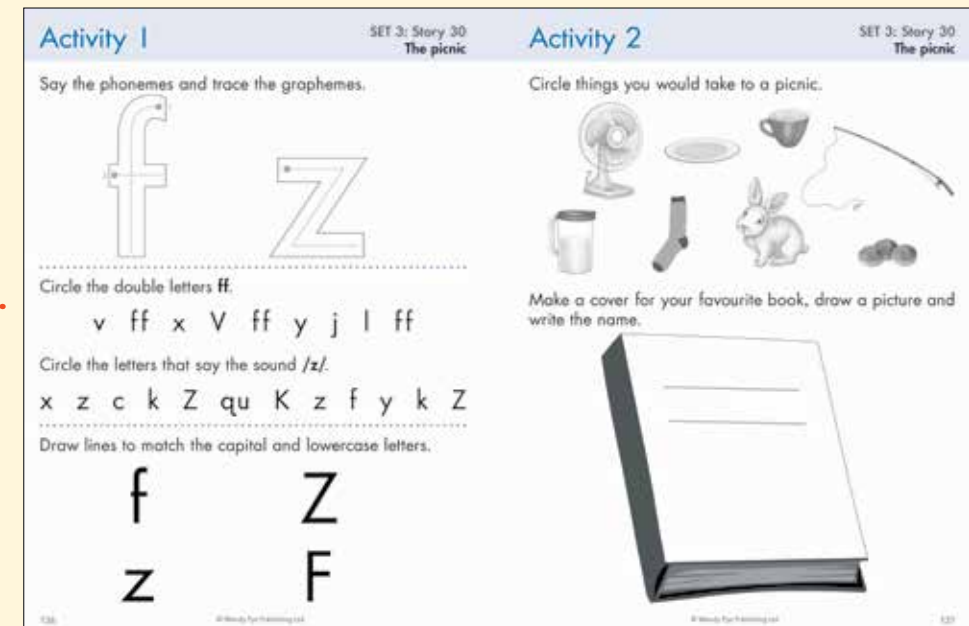

- Phonics Overview for the whole programme
- Scope and Sequence
- Explicit Small Group Teaching Notes
- Photocopiable Activity Pages for every book
- Word Banks
- Assessments

Bank of words using Set 1 and Set 2 sounds (87 words)

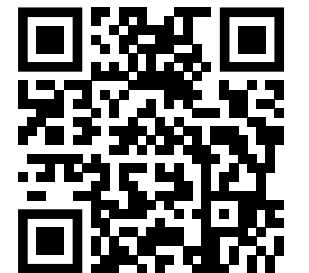

These words use Set 1 and Set 2 phonemes and graphemes. Because children already know these sounds, they can be encouraged to sound them out and blend them for reading. e.g. /t/ /a/ /t/ = fun. When spelling these words, encourage children to say the whole word first and then attempt to sound out each sound (blend then segment), e.g. fun = /t/ /a/ /n/.

The words in blue are decodable high-frequency words.
