

This is his bag.

It is a thin log.

That sock is thick.

The cloth is wet.

It is a thick cloth.

That duck quacks.

It fell with a thud.

This jam is yum.

That fox is quick.

That bug can buzz.

Then he got the tin.

It is a big moth.

This cat can hiss.

That is bad luck.

This jug has liquid.

That is a sloth.

This is a thin cloth.

This is a big mess.

Then he sat up.

I will go with Dad.

It is a big chicken.

I chop it up.

Dad checks on him.

Mum has lunch.

It is such a mess.

It is a bag of chips.

Dan hit his chin.

That man is rich.

I chug up the hill.

She has her lunch.

I did ten chin ups.

I chop up the log.

It is such a big hill.

It is chicken and chips.

It is chicken for lunch.

I sit on the bench.

I run to the bench.

That is too much.

I will check on that.

I hop off the bench.

She rang the bell.

I sang a song.

It is such a shock.

He shuts the box.

The king can sing.

Mum pops her ring on.

Dad winks at me.

It is a pink rug.

I go into the bank.

The bug has wings.

I thank Nan.

It is a long log.

The cup is in the sink.

The pen has red ink.

It is a big bang.

I hang the bag up.

She is in a big rush.

I had fish and chips.

A fish is in the dam.

That ship is big.

I shall pick up the box.

It is a pink dish.

The shop sells shells.

I get wet in the rain.

This rain is a pain.

I paid with cash.

A fish has a tail.

I hang on to the rail.

I wait for the bus.

The ship sets sail.

It rains and hails.

She hit the nail.

I paid for the bait.

Pam wags her tail.

I wait for Mum.

I paid with cash.

Sid licks his tail.

The hail hits the shed.

The fox has a long tail.

Dad checks his mail.

Sam sits and waits.

I will not fail!

That cat has no tail!

I can see the cat.

The sheep is big.

I will feed Pam.

I will keep going.

My feet are wet.

I can see a bee.

I see the queen bee.

I meet Dad at the shop.

The rain hits my cheek.

I will see you next week.

The **light** is on.

I **might** go to the shop.
